

UNH Graduate School Withdrawal Request Process

If you wish to withdraw from the UNH Graduate School please send an email request to Laurie Witham at laurie.witham@unh.edu.

The subject line of your email should state “Withdrawal Request for [Name]”. In the body of your email, please include your full name, the program you are requesting the withdrawal from, the date and semester you wish to withdraw, and a brief explanation.

The effective date of withdrawal will be the day that our office receives your withdrawal email request, unless you request an earlier effective date. If this is the case, please be sure to include reasoning behind the request.

Please note that withdrawing from the Graduate School means that you will no longer be an active student and will no longer have access to campus resources. If, after withdrawing, you decide you would like to continue in your program, you would need to reapply.
