

GMAT WAIVER REQUEST FORM

Name	Address	
Phone #	Email	
UNH ID# (if applicable)	MBA Program applying to (check)	<input type="radio"/> FT <input type="radio"/> OL/PT

Due to the analytical nature of the Peter T. Paul College of Business and Economics MBA program, the GMAT is a useful part of the application process. The GMAT is one of several indicators of a student's quantitative readiness for the academic rigor of any MBA program. However, any applicant for the full time, part time, or online MBA program may petition to waive the GMAT requirement if he/she has met specific criteria as outlined below. Please note that satisfaction of these conditions does NOT constitute an automatic waiver.

The GMAT waiver request will not be considered without undergraduate and graduate transcript(s), information provided on this form, and a detailed resume that includes dates of employment, certification, and graduation.

Please check all reasons below that may support your eligibility to waive the GMAT requirement:

Check	Reasons
<input type="radio"/>	Alternative entrance exam scores <input type="radio"/> GRE <input type="radio"/> MCAT <input type="radio"/> LSAT <input type="radio"/> Other (Please specify what): _____
<input type="radio"/>	Graduate degree(s) <input type="radio"/> MA <input type="radio"/> MS <input type="radio"/> PhD <input type="radio"/> MD/DDM <input type="radio"/> JD <input type="radio"/> LLM
<input type="radio"/>	Five or more years of post-undergraduate work experience (including military service)
<input type="radio"/>	Math or statistics at the College or Graduate level in the following areas: <input type="radio"/> Differential Calculus <input type="radio"/> Integral Calculus <input type="radio"/> Matrix Algebra <input type="radio"/> Differential Equations <input type="radio"/> Econometrics <input type="radio"/> Statistics (including field specific courses) <input type="radio"/> Regression Analysis <input type="radio"/> Mathematical Economics
<input type="radio"/>	Professional License (Please attach a photocopy/picture) <input type="radio"/> CPA <input type="radio"/> CFA <input type="radio"/> PMP <input type="radio"/> ASQ Six Sigma <input type="radio"/> Medical <input type="radio"/> Engineering <input type="radio"/> Other (Specify what and when) : _____
<input type="radio"/>	Department of Defense proctored quantitative certification (Please attach a photocopy/picture) DAU DAWIA <input type="radio"/> Engineering <input type="radio"/> Logistics <input type="radio"/> Information Technology <input type="radio"/> Other (Specify what and when) : _____
<input type="radio"/>	Undergraduate degree with 3.0 GPA or better in Engineering, Mathematics, Physics, Chemistry, or Biology
